Dear all at Holy Trinity and St John's C.E. Primary School

Your fantastic fundraising achievement of £1,788.30, following your sponsored walk on Tuesday 3rd July, will help us to save lives. Thank you!

This really is an amazing amount to have raised and we hope that all the children enjoyed their walk to Dane Park or to the Sunken Gardens in Westgate and back. We understand this is the largest amount the school has ever raised from a charity event – what a remarkable success and please pass on our thanks to all the children, staff and parents for their hard work in raising and collecting sponsorship.

You may be aware that it costs in excess of £6.5million each year to continue our life-saving work, so we truly value every contribution.

The money you raised could fund aircraft fuel for seventeen missions. You are helping to ensure that our crews can keep providing the very best care every minute of the day, for those who really need it.

None of us ever know when we, our family, friends or community may need to depend on this vital service – which is why your support is so important to us.

Thank you once again.

Yours sincerely

Lynne Harris
Director of Income Generation
