<i>Trips/Field work</i>	Transition – London trip											

P.E.

- For terms 1 and 2 Year 6 will have PE on a Thursday afternoon.
- Please make sure that your child comes to school dressed in the correct kit and has a water bottle. Lessons will take place outside weather permitting.

Water and Snacks

- It is very important for your child to have a water bottle with them in school.
- Please make sure it is ONLY water that is being sent into school in a clearly labelled bottle (name and class number)
- No snacks are provided in key stage 2. You can give your child a healthy snack for break time which they can eat on the playground.

Equipment

The children do have access to these items in school but we know that some like to bring in their own equipment. If so, these are the items that we use the most, in order to enable learning.

- A pencil case with:

A Pencil, a non-bendy ruler, pencil sharpener with lid, colouring pencils, glue (pritt stick), whiteboard pen (any colour).

General Everyday Homework

- It is really important that you listen to your child **read** everyday! We expect your child to read at least 4 times a week. Contact books are provided for you to jot down when you have spent time listening to and discussing the story with your child.
- We will be continuing our work with the 3/4 and 5/6 spellings. Your child will be given the opportunity to learn these through activities in the classroom. Lists will be sent home for pupils to continue to practise at home.
- TTRS - multiplication tables are at the epicentre of all our maths - please ensure your child is accessing TTRS or some other method of multiplication tables practice everyday!

Maths, GPS & Reading CGP

Homework

- All pupils will be given individual books to work through a section each week.
- We will begin with the year 5 booklets up until the end of term 2 and then term 3 onwards the year 6 books will be provided to support their knowledge and understanding.
- Homework will be set on a **Friday** and will need to be **returned on a Wednesday**.
This gives the children plenty of time to ask for support from the class adults before the due date.

Thank you

- We would like to thank you for taking the time to come in today.
- **Please**, if you have any questions, queries or concerns during the school year, catch us at the end of the day or book an appointment through the school office; communication for us is key!
- You can also email us on:
