ANNOUNCEMENTS

Wear Yellow For World Mental Health Day

Today we took part in the YoungMinds' Hello Yellow campaign. The campaign encourages schools and communities to wear yellow and start conversations about mental health.

This provides an opportunity to make talking about feelings and mental health a normal part of school life. We want children to understand that everyone experiences a range of emotions and that it is important to recognise when we or somebody else might need support.

This supports learning around:

- recognising and naming different emotions;
- developing vocabulary to talk about feelings;
- understanding that worrying or feeling down can happen to everyone;
- understanding the importance of positive relationships and connection;
- recognising when we or somebody else may need help;
- knowing who to speak to when worried about our own or somebody else's wellbeing;
- developing resilience and strategies for managing emotions.

Vision & Values

Courage – having the courage to talk about how we feel and ask for help.

Compassion – noticing when someone may be struggling and showing care.

Community – creating a school where everyone knows they belong and does not have to face difficulties alone.

Book Amnesty

We have quite a few reading books missing from around school.

Please could we ask that you check at home and place any school books you have in the Book Amnesty Box in the foyer. Thank you .

BBC 500 Words Competition

500 Words is the UK's largest story-writing competition for 5-11 year-olds. This year, entries open from Tuesday 29 September and will close at 9pm, Friday 6 November.

The competition celebrates children's creativity and imagination, encouraging them from across the UK to create an original story in 500 words or fewer. There are two age categories: 5-7 and 8-11 year-olds.

Spelling, punctuation and grammar are not marked - as has always been the case for 500 Words, it's all about our writers' brilliant creativity!

This year, the celebrity panel of judges include Mollie Blackman, Charlie Sheen, Francesco Simon, Sir Lenny Henry, Frank Cottrell-Boyce and Rose McGowan.

Bronze, silver and gold winners in each age category will be revealed by in early March 2022. Not only are there brilliant prizes to be won, but winning entries will also be read by celebrities on the BBC. More details will be posted in the coming weeks.

What are the prizes for 500 Words?

Bronze, silver and gold winners in each category will have their stories read by celebrities on the BBC in early March.

They will also receive a framed illustration of their story, voted by one of Britain's best children's illustrators. The illustrations, alongside the winning stories, will be published in a special 500 Words winners' book.

In addition, winners will take home a National Book Token to spend on books of their choice.

Gold winners - £75 voucher

Silver winners - £50 voucher

Bronze winners - £25 voucher

In addition, gold winners' schools will also receive 500 books for their school library.

The top 50 entrants (25 from each category) will have their entry recorded and published on the 500 Words website.

An added incentive for schools to enter, every story winning bronze, silver and gold winners will be entered into a random draw. The winning entrant will receive a box of books for themselves and their school will also receive 50 books and a literacy wall art, installed by Promote Your School. It only takes one submission per school to be entered in the draw.

ENRICHMENT

Enrichment

On Monday, Reception welcomed our families to our very first Look and Learn.

The children loved showing their grown-ups around our classrooms and sharing their favourite spaces to play and explore. It was lovely to see their growing confidence as they chose activities and showed how we follow our classroom routine: "Choose it, use it, put it away!"

Thank you to all the grown-ups who joined us. We loved sharing our learning and play with you.

We had an amazing clay, portrait making session in Robin Class today, we looked at ancient examples of some sculptures and then created our very own versions of ourselves, we focused on how we look or how we feel to inspire our artwork. We feel very privileged to have a local artist spend time with us to create sculptures

Year Two enjoyed a busy family reading session this week. Thank you so much to all of the adults who could join us.

This morning in Woodland School some children worked collaboratively to build this amazing pizza cafe for the teddies, complete with a pizza oven, with orange leaves for the flames! Well done all!

The Children in the Hive enjoyed spending time in Woodland School.

Children in the Hive enjoyed a cosy family reading session
