

TRINITY NEWS

Dear Parents, Carers, and Members of Our School Community,

As we come to the end of another academic year, I want to take a moment to reflect on all that we have achieved together and to express my heartfelt thanks to everyone who has contributed to making this year a successful and memorable one.

Our children have continued to impress us with their enthusiasm for learning, their kindness, and their resilience. Whether it's been through their academic progress, their creative talents, sporting achievements, or the way they support one another, they have made us incredibly proud.

A special mention must go to our Year 6 pupils, who are preparing to take their next big step into secondary school. We will miss them dearly, but we are confident that they leave us as well-rounded, confident individuals ready to embrace new challenges. We wish them all the very best.

To our dedicated staff – thank you for your unwavering commitment and care. Your hard work and passion continue to make a real difference in the lives of our pupils every day.

To our parents and carers – your support has been invaluable. Working in partnership with you is at the heart of everything we do, and we're so grateful for the encouragement and positivity you bring.

As we now look ahead to a well-earned summer break, I hope you all enjoy some rest, fun, and time with family and friends. We look forward to welcoming everyone back in September, refreshed and ready for a new year of learning, growth, and shared success.

With warmest wishes,

Mrs Roberts

Talk and Thought Thursday

Every Thursday collective worship is themed around a question or talking point. The children have time to discuss the theme with their class before worship. This week's Talk and Thought Thursday was: Friendship Day.

We would like the children to have the opportunity to discuss their thoughts with you at home.

Reminders

SCHOOL MEALS CHANGE OF PRICE

Nourish, the company who provide our school meals, are increasing the price of a school meal.

From Tuesday 2nd September
For children in years 3,4,5 & 6 who pay for meals the cost will increase to £3.05

Attendance Hero

Following the introduction of our new attendance strategy we are rewarding children who have attended school over 96% in the last three weeks.

The children who have achieved this excellent attendance figure have their name put on an 'Attendance Hero Ticket' which is then placed in an 'Attendance Box' and one name is pulled out for Years R, 1 and 2 (KS1) and one name for Years 3, 4, 5 and 6 (KS2).

These two children each receive a £10 Amazon voucher.

The remaining names stay in the 'Attendance Box' and have a chance of being pulled out next time. The more your child attends the more 'Attendance Hero Tickets' they will have in the 'Attendance Box' and therefore a better chance of winning this prize.

The winners will be announced here.

MOTH MASTERCLASS & MUFFINS
24th JULY & 13th AUGUST 10AM-1PM

What better way to start your morning than muffins, games and... a bucket load of moths! Join Sandwich Bay Bird Observatory to discover the hidden world of our night time pollinators up close. Moths are live caught and safely released after identification.

BEAUTY OF THE (MINI) BEASTS
30th JULY & 14th AUGUST 10AM-1PM

Prepare for an extraordinary adventure into the fascinating world of minibeasts & insects. Join us as we embark on an unforgettable journey through the private Sandwich Bay Estate, where a myriad of tiny creatures await our discovery. Armed with bag hunting equipment, you'll become intrepid explorers, uncovering the secrets of these amazing minibeasts.

POND DIPPING
31st JULY 10AM-1PM

Even the most tranquil looking pond can be teeming with untold underwater life - animals disappearing into adult homes, slime eating snails, scuba diving beetles and snorkelling stick insects! Using identification keys, we'll guide children to recognise our aquatic enigmas and also keep an eye out for other wildlife that thrives near wetlands.

BRILLIANT BIRDS & BRICKS
27th AUGUST 9AM-12PM

Come on a brick based avian adventure into the wonderful world of birds and LEGO! See some of the resident & visiting birds of Sandwich Bay as they are weighed, measured and ringed under license. Then have a go at creating your own Kingfisher figure out of bricks!
