A Message From Mrs. Roberts

Dear Parents and Carers,

A very warm welcome back to the start of a new academic year. We hope you and your families have enjoyed a restful and enjoyable summer break and are feeling refreshed and ready for the exciting year ahead.

We are delighted to welcome all of our children back to school, and especially those who are joining our school community for the very first time.

As we begin this new year together, our school values of Courage, Compassion and Community will continue to be at the heart of everything we do. We encourage our children to show courage by embracing new opportunities, challenges and learning experiences with confidence. We nurture compassion by helping children to care for and support one another, showing kindness, respect and understanding in all they do. Above all, we celebrate our strong sense of community, recognising that when school and home work together, we create the very best environment for every child to flourish.

We are excited about the year ahead and the many opportunities it will bring for learning, achievement, friendship and personal growth.

Thank you for your continued support and partnership. Together, we will help our children to be happy, successful and enthusiastic learners.

We look forward to sharing a wonderful year with you and your children.

Warm regards,

Sarah Roberts
Headteacher

ANNOUNCEMENTS

Changes To Entry And Exit Gates

From September, there will no longer be access to school through the side gate in Addington Street.

This gate will now remain locked to help us increase security within the school grounds.

Entry to school when either dropping children off in the morning or collecting them at the end of the day will be through the top gate opposite Lawrence Stores or the bottom gate/delivery entrance.

PE Days - Term One

PE Days – Term 1	
Monday	AM – Year 3 PM – Year 4
Tuesday	PM – Hawk (swimming)
Wednesday	AM – Year 6 PM – Year 2
Thursday	PM – Red Kite
Friday	AM – Year 1 PM – Year 5

Transition Objects and Fidget Toys.

Dear Parents and Carers,

As we prepare for the new academic year, we would like to remind families that, from September, children will not be permitted to bring their own toys or fidget items into school.

Unfortunately, a number of these items have not been used appropriately and have, at times, become a distraction to learning. To ensure consistency across the school, each classroom is equipped with a range of school-approved focus tools that children can access when needed throughout the day.

We recognise that some children may benefit from a transition object. However, all transition objects must be agreed in advance with a member of the SEND team. Please speak to one of the following members of staff if you feel your child requires a transition object:

- Mrs McGuirk
- Mr Friel
- Miss Castle
- Mrs Sands

Any toys or fidget items brought into school without prior agreement will be kept by the class teacher and returned to the child at the end of the school day to take home.

If you would like to discuss this further, please speak to one of the members of the SEN team listed above.

Thank you for your ongoing support and cooperation in helping us maintain a positive and focused learning environment for all children.

Yours sincerely,

Mrs McGuirk

Assistant Headteacher and SENDCo

Please complete [this short form](#) to inform us of your child's out of school activities and achievements. We will then celebrate them in school and here on the newsletter.

Please complete a separate form for each activity or achievement as well as a separate form for each child.
